Financial Policy

Thank you for choosing The Minimally Invasive Hand Institute! We are committed to the success of your medical treatment and care. Please understand that payment of your bill is part of this treatment and care. Any balance older than 30 days is the patient's responsibility.

For your convenience, we have answered a variety of commonly-asked financial policy questions below. If you need further information about any of these policies, please ask to speak with a Billing Specialist or the Practice Administrator.

How May I Pay?

We accept payment by cash, check, through our CareCredit option, Discover, VISA, and MasterCard.

Do I Need A Referral or Pre-certification?

If your insurance plan requires a referral authorization from your primary care physician or a pre-certification from your insurance, you need to contact your primary care physician or insurance company to be sure it has been obtained. If we have not received an authorization prior to your arrival at the office your appointment will be rescheduled.

Which Plans Do You Contract With?

The Minimally Invasive Hand Institute accepts most major insurance plans. It is always best for you to contact your insurance company prior to your appointment to see if we are participating providers.

What Is My Financial Responsibility for Services?

Each patient is ultimately responsible for payment of their own treatment regardless of any of the various methods of payment, including insurance payments, payments on attorney liens, or cash payments. It is your responsibility to verify that the physicians and/or facility in which you are seeking treatment are an authorized provider under your insurance plan or under your attorney lien should that be applicable. A current provider listing should be made available to you by your employer, insurance company or insurance company's web-site.

As a service to our patients at The Minimally Invasive Hand Institute, we offer certain supplies and durable medical equipment to assist in your recovery. However, your insurance carrier may not consider the item deemed as medically necessary or many not considered a covered benefit. Therefore, we will bill Durable Medical Equipment (DME) but not supplies. Please ask the Physician, prior to purchase, if the item you are purchasing is a DME or supply.

Please keep in mind; items are not returnable according to federal health guidelines. If the item is defective, we will exchange the item.

Beneficiary's Acknowledgement

I have been notified by The Minimally Invasive Hand Institute policy of Supplies and Durable Medical Equipment. If I purchase a DME and it is denied by my insurance carrier, I understand that I will be held financially responsible.
